

SING HIS EVERLASTING ETERNAL PRAISE

Fifth Grade Flock in 2016/17

Monday, August 8

RELIGION- This week we are learning about how our bodies change as we grow.

LANGUAGE ARTS- We are continue to enjoy *The Junction of Sunshine and Lucky*. In this book, Auggie finds her shine, turning old things into new things. Our job this week is to look at what we throw away and consider how it might be used to make something new. We need to create a new thing from our trash. It will due next Tuesday.

MATH-Tomorrow is our first test in math. In addition, we will spend an extra half hour on facts each Tuesday if we are not yet fluent with facts. Every Friday, we will spend some time working on Freaky Fractions and Friends. If homework is finished at home, we should spend twenty minutes in IXL. Beginning Thursday, August 18, we may come in at 8 am for an extra thirty minutes of math help.

SCIENCE/SOCIAL STUDIES-Can I tell you about the Silk Road? Marco Polo? This week we are learning about the Aztec, Mayan and Inca. In technology, we will create a travel brochure about one of the ancient cultures.

A NOTE FROM MRS. PARIS- My goodness, fifth grade is a happening place. The student's great work is popping out all over. I love it!

Through these first days of school, we spend a great deal of time talking about expectations. This week, students will move cards if necessary and lose student learner trait points as a result. Basically, this is a conduct grade.

SLT.1- Develops self-awareness and self-management skills (student is ready to learn). Having this trait means you do your homework, check your morning routine before anything else and make sure everything is done, put your name on your paper, use complete sentences and adequate details on all work, and work quietly when asked.

SLT.2-Uses social awareness and interpersonal skills to establish and maintain positive relationships (student supports the learning of others). Having this trait means you work hard and contribute your skill and knowledge to all group work and not disturbing or disrespecting those around you.

SLTO.1 and SLTOT.2- are the same as above, only indicate that this trait is expected in other areas (specials, in the restroom, lunchroom, and on the playground).

TUESDAY- 9:45 Music 2:05 Technology

WEDNESDAY- 9:45 PE

THURSDAY- 9:45 Library
