### Principal's Corner

Dear SMK Families,  
To better to serve the families in the New Albany Deanery, the deanery principals have collaborated at an early date to create a common 2019-2020 school calendar. The deanery schools will have the same first day of school, last day of school, and common Fall and Spring Breaks. It is our intent that this aligned calendar will be beneficial for families that have children in K-12 deanery schools. Input from SMKCS faculty, staff, and school commission members was also considered. Please note that the calendar may differ from area public schools.

Enjoy this Fall Break and God bless,  
Tracy Jansen
