### Principal's Corner

*As a Family...*

In celebration of today's the Solemnity of All Saints, take some time to share your favorite saint with your child. Father Mike asked the children to think about someone that they consider a living saint today. Who do you consider a saint in the making and why?

Thanks to the many parents who helped to make our Halloween parties spook-tacular this week!

Scholastic Book Fair is coming next week! The book fair will be open before and after school on Tuesday, 11/6 and before school on Wednesday, 11/7. We are looking for a few more parents to help in the book fair on Nov. 5 and 7. If you are available, please contact the school office. Thanks to Mrs. Karen Shaw for coordinating our Scholastic Book Fair!

If your child participates in evening athletic practices following childcare, please remember that the school must receive a permission slip, or an email must be sent to Mrs. Polston, Childcare Coordinator, before a child may be released from childcare with another parent or coach for practice. Childcare employees will not escort children to practices, nor may student athletes sign themselves out from childcare in order to attend practices. This is a safety precaution.

We are just a couple of weeks away from the SMK Night Out! Secure that babysitter and get ready for a night of fun!

### Important Information

- We will not be having Mass on Friday, Nov. 2.

-Just a reminder if you get a notice from our cafeteria that your account is low and the dollar amount has ( ) around it that means that you still have money in your account. Otherwise, if it is just dollar amount, for example \$5.00, that means you have a negative \$5.00 in your account.

-Don't forget to purchase your SMK Night Out tickets online or in the school or parish office. Tickets are \$55.00 per person. Class projects will be on display in Assumption Hall the weekend of Nov. 10-11. Class projects are on the online bidding so you may bid on them from anywhere.

- Scholastic Book Fair will be held next week Nov. 5-7 in the STEM Lab. A flyer was sent home with your child this week with new books that may be offered to purchase.

-Thanks to all of those parents who participated in the trunk decorating and handing out treats. Congratulations to the Lozon family for best costume and the Waiz family for best trunk! Also a big thanks to Michelle Frossard for coordinating the event and to Carr's BBQ!

- SMK Youth Basketball League registration is underway and divisions are beginning to fill up. Don't wait until the last minute to sign your child up. Once divisions get to capacity, registration will close. Register today at [www.yoursmk.org/bb-league](http://www.yoursmk.org/bb-league)

### Childcare Notes

A little spooky in childcare this week! We are playing lots of cooperative, active, learning games with pumpkins. We are also learning how to sequence pumpkins from large to small. Our favorite game is pumpkin, pumpkin, spider. Happy Halloween!
