Principal's Corner

Dear SMKCS Families,
The Christmas season is just around the corner! What a joyous time of year in our Catholic school. Little Hawks will hold their adorable, traditional Christmas program in Assumption Hall. You'll notice that there is a slight change in our school-age Christmas program this year. The K through 3rd grade classes will be presenting a Christmas program on December 12 led by Mrs. Foster, our music teacher. The 4th and 5th grade classes will be preparing and presenting an Advent Tea. It is very important to us that all of our students have performance opportunities and a deep understanding of the meaning of Christmas, the birth of our Lord Jesus. Middle school students have various performance opportunities throughout the year as well, including our famous spring musical and the newly formed vocal and instrumental group. More details to come on all of these performances.

In Christ,
Tracy Jansen

Crazy for color! The children are loving all of the beautiful colors of the leaves. We are collecting leaves and making a chart of the different colors and sizes and counting them. We made a scarecrow and leaf puppets. We are in need of stickers and colored pencils if anyone would like to donate, it would be greatly appreciated.
