

Dear SMKCS Family,

Welcome to Third Grade! My name is Connie Bierman, and I am the Third Grade Teacher at St. Mary of The Knobs Catholic School. Wow! This is my sixth year teaching third grade, and I still absolutely love it!

Our theme this year is "Mission for God". I truly believe that Jesus is our "Superhero". I rely on Jesus so much in my life. I also believe that he has a purpose or mission for each one of us. He has given us every "superpower" that we need to accomplish our tasks. We will take the "superpowers" that God has given us to glorify him in all we do this year. As you enjoy your summer, I encourage you to explore and strengthen your "superpowers". Maybe art is your "superpower". Perhaps your power is reading or math. Be prepared to share about your "superpower" on the first week of school.

We will be using Yoga balls in my room next year. I am asking all families to be on the look-out for the balls at yard sales or the Good Will this summer. If you find one, and wish to donate it to our room, that would be awesome. I could even pick it up. You can either send me a Facebook message or email me at biermanphoto@gmail.com or cbierman@yoursmk.org.

I am so excited to work with you this year. Enjoy your short summer. I will see you soon. May God hold you in the palm of his hand.

Love, Mrs. Bierman
