

Adult Faith Formation meeting minutes

June 15, 2021

Opening- reflection, prayer and discussion on God's guidance

FF summary for Annual Report- reviewed and approved as written. As we move ahead with our goals and planning for the next year, we will check in with the Worship Committee as they are possibly planning a mission.

Women's Morning of Reflection- 15 attended including a new parishioner. The day was well received with much discussion participation. At the event a suggestion for our day long fall event was to have a theme of prayer; also there was much discussion on prayer during the morning discussions. Agreed to have our daylong fall event on prayer and demonstrations of several prayer types. Will ask Fr Art to speak at this event and will tentatively plan on Wednesday, Sept. 14 or 21. **Jan will speak with Fr Art and put together a draft outline of the day for our next meeting.**

Recruiting new committee members- **Sharon will find out the names of the men's group participants** and we will ask one of them to act as liaison with this group.

Using REVIVE in the parish- The Pastoral Council will be doing the Evangelism course for their training at a June meeting. Will make further plans about REVIVE based on how it is received by the council.

Prayer Partners- will plan to re-promote a newly named Prayer Partners at the fall day long event, even asking some current partners to share their experiences.

TO DO LIST-

Think about a name for the fall women's event on prayer

Think of a new name for Prayer Partners

Think of a new member/s for our committee and personally invite.

Next meeting- Tuesday July 20 9:45 in person at Baileys Harbor
