Minutes from 2/8/23 were reviewed.

Entrust Alumni Bible Study/Accountability group/Support group- Initial gathering will be Wed. April 19 from 10-11:30 at the FC site. Agenda will be opening with a passage or chapter from Acts with discussion and prayer, followed by sharing of successes or difficulty in our discipleship efforts and then planning for future gatherings. For future gatherings will offer 3 options to choose from and be open to other suggestions: a similar Bible study and sharing, small groups gathering in public places for coffee or lunch and groups of two partnering similar of Prayer Partners. Will finalize the agenda at the April meeting. Will have coffee and donuts. Jan will send a Save the Date. Sharon will promote in the April FF column and in 4/9 and 4/16 bulletins. Jan will place announcements for 4/9 and 4/16 Jan and Sharon will work on drafts for invitation to be sent 4/10.

Fellowship after mass- FAMily- as part of Mission planning, an Entrust alumni group is organizing for coffee and goodies events following mass at each site once each month, hosted by various parish groups and ministries. Our group selected to host July 23 at the Jacksonport site, or which ever site it is that day. Sharon will let Deacon know. Will plan further as the date nears. Rhonda suggested at the organizing develops that possibly a schedule could be shared so that as conflicts arise, groups can trade dates among themselves. Jan will share this idea with Deacon.

Lenten Small Groups- Groups seem to be going well at Lee's home, Scandia, the BH and FC sites and via zoom.

Chosen season 3- Tony reported the DVD can be preordered at the angel.com site or through Amazon in April sometime; the group planned to order in April. Rhonda will be working on the viewing guides.

Further discuss the Chosen summer viewings.
