Entrust Alumni Accountability/Support group- 19 attended the April 19 gathering with much sharing of ideas, thoughts, and questions, well summarized by Sharon. Discussed next steps and agreed on a next gathering on Tuesday, June 20 from 9:3—11 at the BH site to flesh out and develop some of the ideas shared for supporting, encouraging, and keeping Entrust alive. Jan will email out a save-the-date along with the summary Sharon put together. Sharon will have Lorie place on the calendar Will further plan out the agenda at the June FF meeting.

Fellowship after mass- FAMily- our group will host July 23 at the Jacksonport site. Reviewed our main duty of food p/u the day before and set-up, coffee making and an announcement at the end of mass the day of. Will further plan out at upcoming meetings and possibly sign up for a fall date as well.

Spring Women's Morning of Reflection- Lee did not hear back from Penny Biwer to see if she might be interested in presenting. Lee has decided to put together a morning of reflection on the theme of being "dazzled" by God. A June 9 date had earlier been planned but have decided to move that date to Tuesday, Aug.8 at 9:30 at the SB site. Sharon will have Lorie update the calendar. Tony had previously suggested that we might want to "freshen up" the event, like make it ecumenical, inviting other churches. Will discuss further at upcoming meetings.

Chosen season 3- Tony has received the DVD. Rhonda and Tony are working on the viewing guides. Discussed and decided to change the stat time to 8:45, as episodes seem to be 60-70 minutes. Jan will submit bulletin and announcement promotions. Jan will check with Tony and Rhonda to be sure the viewing dates are all covered by a committee member.

Old Business- Should we offer shorter small groups in between the Lent and Advent groups, as relationships and bonding are developing? Jan Malchow has decided to offer a summer bible study to the Advent/Lent group from Scandia. Discussed that beginning a small group in early Sept, would allow for completion and a break prior to Advent studies beginning. Will discuss again at further meetings.

Closing prayer- Closing Prayer was led by Jan.
