Good Parish Leadership,

Governor Evers released several Executive orders today, one declaring a **Public Health Emergency** and another issuing an **Emergency Order that requires individuals to wear face coverings when indoors and not in a private residence** (with some exceptions as defined in the order).

Per the RESTART PLAN – Parish Offices and Activities grid dated July 22, 2020, **masks are required to be worn by employees/volunteers when in Common/Public Work Spaces**. You can remove your face covering in the following situations: When you are giving a religious, political, media, educational, artistic, cultural, musical, or theatrical presentation for an audience, so long as you have at least 6 feet between you and other individuals. **Masks are now also required for mass attendees, per the Governor's order**. Please click below to find the press release, in which you will find the links to each of the executive orders, as well as a list of frequently asked questions. **This order goes into effect on Saturday, August 1, and will therefore effect the weekend Masses.**
