

Creation Care Mission (CCM) Meeting Minutes for August 20, 2020

In attendance: Pat Glen, Becky Nash, Tom O'Grady

- Meeting opened with prayer led by Pat.
- We are satisfied that we completed our meetings with committees on St. Francis pledge.
- Group discussed final 300-word bulletin articles for the year. Becky has written September and Pat has written October. Tom will create an article for November, probably on gratefulness. Pat will write for December and provide environmental-saving tips for parishioners. Becky will ask if we can provide monthly articles again next year.
- Mary Smythe contacted Pat to offer free trees again, probably in late September. Pat will manage project. Becky will seek approval for offering these trees after four Masses (Sat. 4 & 6 PM, Sun 9 & 10 AM) in Sister Bay and Fish Creek. A bulletin announcement would go in a week or two ahead and announcements would be at those specific Masses. We would ask that the UU/CCCDC deliver the trees and take any extra away. We would be far enough away from a church exit and potentially have the trees grouped by type for pickup. Potential assignments: Pat FC 4:00, Becky SB 6:00, Tom SB 9:00, and perhaps Wayne FC 10:00 (Pat will ask him).
- St. Francis Feast Day Oct. 4 lands on Sunday. Becky will ask about blessing of the animals. She will also create an intention for that Mass, put in an announcement and bulletin insert encouraging people to consider signing the St. Francis Pledge.
- Group will meet only one more time this year in September. We will review current projects, monthly bulletin calendar, and goals for the coming year.
- Group closed with the Examen closing prayer.

Next Meeting date: **Thursday, September 17, 2020 at 12:00 PM in Sister Bay parking lot.**
