Pat completed visit with Prayer Shawl in February and plans meeting with CCW in March and Faith Formation in April. Becky completed visit with Finance Council and Stewardship in December. All agreed good progress has been made.
- Laudato Si quotes that Tom put together were discussed. It was decided it may be best to pull a list of one or 2-liners from the Catholic Covenant excerpts. Tom will prepare for the office and also plan a 300-word article on Laudato Si for June which is the 5-year anniversary of Laudato Si. It will mention excerpts that parishioners will see in the bulletin from time to time.

Since the January window has passed and due to our limited resources, it was decided to table this activity for this year. Tom will call Linda Cummer to thank her for the opportunity and discuss the desirability or feasibility of something for next year.
