

Creation Care Mission (CCM) Meeting Minutes for March 3, 2020

In attendance: Pat Glen, Becky Nash, Tom O'Grady

- Meeting opened with prayer led by Pat.
- Reviewed progress on meeting with committees on St. Francis pledge. Decided that only three left for Pat to pursue. She will visit Faith Formation on April 21, has sent a note to St. Vincent de Paul, and will talk to Mary Kay about Loaves and Fishes which starts back up in April.
- Laudato Si quotes were completed and sent to the office to be inserted by Lorie as there is room.
- Group discussed draft of 300-word article by Pat for April. Pat will revise and resend to group.
- Becky has scheduled a Creation Care Lenten group for five Fridays starting March 6. The other groups will use different material from Live Lent.
- Tom reported that he briefly talked to Linda about a Creation Care activity for the youth, thanked her for the opportunity, and decided to approach with an idea next year.
- Group discussed the opportunity to have an interfaith table highlighting green activity at Every Day is Earth Day. All agreed it was a good idea, but given short timeframe, should be considered for next year. It was also decided that an article for 5-P could be requested in the bulletin in April versus an insert.
- The Group briefly discussed the new Citizen Climate Lobby group that was looking to form in Northern Door as well as hold a convention in Green Bay. This group's focus is primarily on carbon management. The group decided not to pursue further.
- All read the Examen closing prayer.
