Dear Katrina Welborn, Kevin Revolinski, Pastor Thomas Farrell, and the entire team,

I would like to thank you for your generous hospitality to me this last month while I was visiting beautiful Door County. I enjoyed every minute of visiting each parish and being part of the weekend liturgies in some way before the book signings. Also, what a way to cap off the whole experience by taking that trip via "Death's Door" to Washington Island. Altogether, it was an adventure I will always treasure in my heart.

Moreover, through your help, I was able to bring back a generous offering to my parish, Our Lady of the Holy Cross in St. Louis, Missouri. Thanks to your generous congregations, I sold every book I had with me. The total amount of sales was \$3,763.25, in addition to sales tax which was \$240.24. Some people gave donations which amounted to \$1,111.45. After recovering some of my personal losses, the total gift to my parish was \$3,381.40.

Your generous contribution is a huge boost to us. We cannot thank all of you enough. If you have the chance, please extend my gratitude to everyone involved.

Over the coming months, my parish team will be focused with continuing to develop some of our most important ministries which involves many isolated seniors, teens, and pre-school children, and our very promising ecological pursuits. I will keep you informed on how we are progressing, as well as other fundraising efforts by the parish or through future book signings.

Yes, I miss the cherry pies! Those cherry trees also look so caring!

Your friend in the Lord,

Vince Nyman  
Pastor, Our Lady of the Holy Cross
