

SEWING VOLUNTEERS NEEDED! PLEASE SHARE!

The Door County Emergency Support Coalition (DCESC) has recently partnered up with Sew Masks for Door County, a volunteer-based organization that sews 100% cotton face masks for community use in Door County. Current needs include:

- Thread.
- Elastic (1/2" width or less).
- Unused elastic hair-ties.
- Bias or twill tape.
- Aluminum or galvanized steel wire (18-20 gauge).
- 100% tightly woven cotton fabric.
