

2019 Stewardship Commitment

✚ Prayer: Prayer is about our relationship with God. As good stewards or managers of prayer, we gratefully acknowledge God's presence and will in our lives and respond by investing ourselves through private prayer and with community through the liturgy.

♡ Service: We believe that every person is a unique child of God. Each one of us has been created with wonderful gifts to be nurtured and used to bring us joy and to serve each other as disciples of Christ. We offer these gifts to serve our Church and greater community. With this in mind, we are called to reflect upon our personal calendars and consider how we can best use our time and our gifts. **Whether you are here full time or seasonal, please fill in the enclosed Stewardship Service Commitment sheet and return.**

§ Sharing: Stewards are grateful people who understand that all things are a gift from God. We believe that God has been generous with us and we in turn need to share with others. As disciples of Jesus, we are asked to carefully consider the needs of our Church and the poor when we develop a household budget and commit a portion of our financial blessings back to the Lord. **Please review financial information on the back of this sheet and consider increasing your commitment at least 10%. Prayerfully make your financial commitment and return. We want to hear from you even if you are seasonally in Door County.**
