Patriotic Ball

Sunday 23rd 2020

What wonderful Military Patriotic Ball we had last night. A night to remember. We had a minute of silence to remember PFN Francis Shea, Jr. 1960-2020. Frank was always willing to help and he was in addition to many things our publicity guy who would always say, "give me a picture but make sure it had a priest, a sister or little kids in it and I'll turn it into a news clip. God bless Frank!!

Then Faithful Captain SK Larry Simmons introduce the guest speaker Msgr. Phillip W. Hill, Retired Colonel, USA representing the Military Chaplain's Fund. Msgr Hill shared some stories from his time in the service. The Title of his talk was a what "Make America Holy Again". He shared how the Holy Spirit is with us as we walk through life. One of stories he told was saying mass in the war field and how he was going to say mass and like every Catholic Church the solders were in the back of the building. So he moved the Lord's Table to that end of the building. Then a mortar struck where he was and destroyer that end of the building. Just one of the many stories he told Making America "Holy" Again.

It was a Moving Night!

Action Needed to Support Life Affirming Bills

Dear Brother Knight,

Your immediate action is needed to support two important bills in the U.S. Senate that stand up for life!

This week, the Senate is scheduled to consider two very important bills – the Pain Capable Unborn Child Protection Act and the Born Alive Abortion Survivors Protection Act.

The first bill, the Pain Capable Unborn Child Protection Act, is life-saving legislation that would ban abortions at the point when scientists agree unborn children begin to feel pain in the womb (approximately 20 weeks). Our recent Knights of Columbus/Marist polling found that 54% of Americans agree with this policy – including nearly half of all those who identified as pro-choice!

The second bill, the Born Alive Abortion Survivors Protection Act, protects a child who is born alive, despite an attempted abortion, by requiring doctors to care for the child as they would any other child born at the same age. This life-affirming legislation recognizes that there are two patients – a mother and her child – and that our public policy should protect both.

For more than a decade, our polling has found overwhelming support for the idea that our laws should protect both the mother and her child. Both of these pieces of legislation acknowledge the humanity and dignity of the mother and her child and it's time for Congress to act.

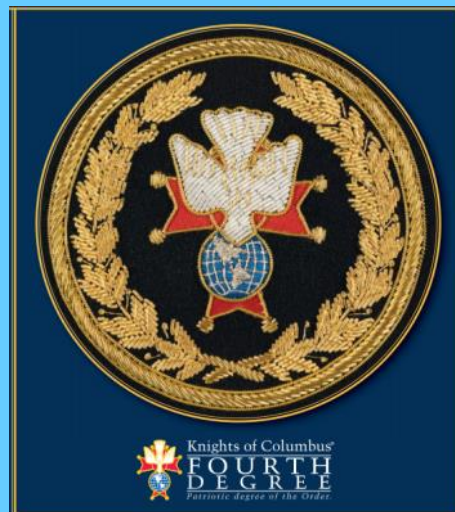

Visit our Knights of Columbus Action Center to ask your senators to support both the [Pain Capable Unborn Child Protect Act](#) and the [Born Alive Abortion Survivors Protection Act](#) today! Please note that you need to send a letter to your senators on each bill in order to be counted, so please be sure to click through to both links. You can also call your Senator directly – <https://www.senate.gov/senators/contact>

Thank you for taking action to support a culture of life.

Fraternally, Carl A. Anderson Supreme Knight

Faithful Navigator Notes:

We have a new meeting place at Holy Cross.

It is the Laria Center and after you turn on 26th Street from 41, it is on the right. Please note that church on the left. SK Jeff will put sign out to direct you to the Laria Center.
