Easter Egg Hunt

I just wanted to thank all the Knights of Columbus and OLA for the fantastic Easter event for the kids yesterday! My family and I had such a wonderful time and breakfast was delicious! We greatly appreciate all the time and effort put into making the event so fun and special, not just for the kids (who had a blast), but grown-ups as well.

The DJ was a cool touch that really added to the fun and the goodie bag gifts were so generous and perfectly catered to the kids' age and gender!

The Easter bunny visit was especially appreciated this year because we were not sure what we were going to do visit-wise with Covid and all, but luckily the Knights saved the day, and we all had a blast!

The size of the event was perfect too, not too small, but not too crowded where it gets overwhelming and not fun.

Again, thank you so very much!

Hope to make it our annual tradition. :)

Habitat Concrete Work

On Thursday, March 18th, 2021, 7 Knights of Council 13341 teamed together with Habitat for Humanity at a new construction home site located at 1020 3rd Avenue West, Palmetto. The location is across the street from Habitat for Humanity's Depot.

The project team completed the following tasks:

- Mixed several bags of concrete and filled exterior wall voids throughout the house. Cleaned up all tools and stored same at Habitat Depot.

- Policed all scrap wood around exterior perimeter of construction site. Discarded all items in dumpster across the street at Habitat Depot.

- Wheelbarrowed numerous loads of mulch/ wood chips from vacant lot adjacent to construction site to the front of Habitat Depot where it was used to level garden and picnic bench area. Cleaned and stored all used tools.

- At Habitat Depot. Loaded pallet of plywood sheets from front parking lot into storage container.

- Removed, unpacked, organized, and reloaded dozens of assorted sized metal construction beams into storage container.

- Discarded numerous one gallon and five gallon cans of dried paint into dumpster.

This activity was coordinated by Michael Mahan, Habitat for Humanity Chairman. This represented the 3rd Habitat project in 2021

Just getting started!
