Pasta Dinner

The Knights of Columbus Council 13341 Saints Cosmas & Damian held their annual Pasta Dinner on October, 12th 2019 from 4pm to 7pm. The day started early setting up Our Lady of The Angels, Scared Heart Hall in Lakewood Ranch, FL.

The hall has four columns and a serving window that were decorated with the Italian flag, ribbon colors green white and red, the tables had red and white checkered table clothes and in the back ground you heard Sinatra, Tony Bennet and other Italian crooners . The aroma in the air was full of tomato sauce and garlic bread and pasta was cooking in five gallon pots out behind the kitchen.

We opened our doors at 4pm and Father Augustine said grace and blessed the food and our efforts.

We had **35** Brother Knights and **9?** of their wives who helped decorating the hall, setting up tables and chairs, preparing the kitchen for cooking, serving, busing and clearing tables for guests and parishioners and washing pots and pans at the end putting away tables and chairs, including cleaning up the hall. Some worked from 11am until 7pm, and others worked from 4pm to 7pm.

It was one of our best pasta dinners in terms of the quality of the food, and amount of people served, and Brothers and families who helped by working and what we accomplished in making this event fun for families, parish and our community.

Matt Cangemi

God Bless all those who helped make this a success.

I do not know how I can thank you all.
 I asked for help and you gave me an army! I was so overwhelmed with all of you that my head was ready to blow. I could not believe all the brothers and their wives that helped last evening. Everyone was running around and doing a wonderful job! As I collected the monies I turn around and everything was cleaned up. I could not believe it.
 I must stand up and thank the members of the best Knights of Columbus council in the state of Florida, because I am so honored to call you all brothers!
 Without you all I would not even be able to open the front door. Let alone cook pasta!
 You all made this Pasta diner a great success, A lot of people will eat because of your hard work.
 I am Proud and honored to call you all brothers in Columbus and Christ.
 I pray that Christ will touch all with his hands and bless each and every one of you and your families.
 With Christ love and peace,
 Carmine Maida

40 Days of Life Prayer Vigil

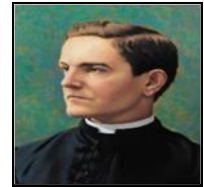

From 10/27/19 through 11/02/19, members of Council 13341 participated in the Fall 40 Days for Life Prayer Vigil at the Sarasota Planned Parenthood location. Council members covered the hours of 5:00 pm to 7:00 pm for this seven-day period. The Council contributed 34 prayer hours during this time period as we prayed to end of abortion. The beads for life, which is specifically used to pray to end abortion, and to support those most effected by the act of abortion, was prayed frequently during this seven-day vigil.

Habitat 10/22/19

On Tuesday, October 22nd, 2019, 8 Knights of Council 13341 teamed together with Habitat at the home of a Vet in Bradenton, FL. They were accompanied by, and worked alongside, Vets from Our Next Mission, a non-profit organization that is run by Vets who help Vets in need.

The project team (aka Habitat Dream Team) completed the following tasks:

- Remove junk and debris around the exterior perimeter of the home.
 - Load junk and debris into the container in the driveway.
 - Fill a very wide and deep hole extending from the front foundation of the home. Shovel in a load of gravel at the base of the foundation. Shovel in surrounding stones in the yard. Fill the balance with dirt from the yard.
- Weed wack and mow weeds around the perimeter of the lot.

This activity was coordinated by DGK John Joly, the Knights of Columbus Program Director and Habitat Chair. This represented the 10th Habitat project in 2019 and cumulatively the 34th monthly project in a row since January of 2017.

We thank everyone who came out to the Pumpkin Festival this year, and for understanding our situation.

28th Annual PUMPKIN FESTIVAL

This year's Pumpkin Festival. As you see it was a very bad year. Three days were cancelled due to weather/flooding and two of the other three days were below last year.

In any case we raised \$795 for Special Olympics. 41 of you volunteered and you put in 108 hours. Many thanks to those who worked and thanks also to those that volunteered but did not get a chance to enjoy the festival. We'll do better the next time.

Grand Knight's Korner

October was another busy month for our council.

We had our Hunsader Farms fund raiser for Special Olympics. Unfortunately, 2 weekends were rained out and the gift to the Special Olympics was less than normal. Hopefully next year will be better.

On the 20th of this month there was the blessing of the new medical van that benefited those that are in need and are unable to get to an established facility. The van will be associated with the Community Pregnancy Clinic in Sarasota.

There was also a successful pasta dinner event this month.

Our membership keeps growing with new members that actively participate in the council activities that support our charities and church. Hopefully this trend will continue as more new members join our council.

Remember our council can only properly support our mission of charity with the participation of its members.
