Spring Training Concession Stand **2017**

Council #13341 has been running a concession stand at Ed Smith Stadium during the Orioles Spring Training Season as our biggest fundraiser for the council. After many long years being managed by our District Deputy Chris Treston, he is training Paul Petrus to take over.

Our brothers make up most of the 18 to 20 wonderful volunteers to staff our third baseline concession stand each day. We have had close to seventy volunteers from our Parish who have volunteered to help this year. Some volunteered for a few games, some for many and 4 amazing people (Connie & Sig Bartoszek, Carmine Maida and Ed Sousa) volunteered for all 17 games this year!

We have 27 different items to choose from. On a good day we sell over 500 hot dogs, 125 bratwurst and 125 pretzels, and lots of cold beer! Come and support your Parish and the Knights of Columbus at the ball game!
