On Thursday, September 16th, 2021, 6 Knights of Council #13341 responded to the MCHFH Depot, 1005 3rd Avenue West, Palmetto, FL 34221. Training was received in the following areas: - Installation of Hardi-Board exterior siding. - Installation of laminate and vinyl flooring. This activity was coordinated by Michael Mahan, Habitat for Humanity Chairman. This represented the 9th Habitat project in 2021 and cumulatively the 58th project completed in the past 57 consecutive months in a row since January of 2017.

*A Texas law that would ban abortion after a **fetal heartbeat** is detected is set to go into effect on Wednesday after the Fifth Circuit Court of Appeals canceled a hearing that was supposed to take place Monday...*

The law not only prohibits abortion if there is a fetal heartbeat – which can be detectable as early as six weeks into pregnancy, before many women even know they are pregnant – but it also allows anyone other than government employees to sue someone who performs, assists with, or pays for an abortion in violation of the law.

The genius behind this bill: it is a whistle blower bill aimed at disgruntled employees.
