

Recipe Card

Faith Focused Apps

Grandparents

Best Use

As an activity that can be done on any hand held device.

Nutritional Value

Grow deeper in God's word and find ways to connect with your grandchildren.

Advance Preparation

Make sure you have the following on hand.

- A charged mobile device

Additional/Alternative Activities

Watch the church website for new and additional faith focused apps.

Serve It Up

Fam Zoom Doodle Lite

FamZoom is where a grandparent (actually, any family member) can be a kid again as they talk and play with the special children in their lives! Come on into our secure virtual family room. It's the next best thing to being there in person.

Daily Devotions by LHM (Lutheran Hour Ministries)

Each day's message inspires and motivates faithful living through the timeless truths of God's Word. The devotions are written by Rev. Ken Klaus and are updated daily.

PrayerMate

Organize your prayer life with this straightforward and distraction-free app. Every day, Prayer Mate will select a person or topic that you've entered from each of your main categories and show them to you as a series of index cards - then just swipe between them to pray.

The Lutheran Church—Missouri Synod

App locates LCMS churches in your area, delivers worldwide Lutheran news, connects you with other Lutherans and gives you God's Word in a daily devotion!

KFUO

Access the best in Christian radio, KFUO Worldwide, and the best classical music, CLASSIC99.com, wherever you are. KFUO (AM 850, Clayton, MO) is the longest continually operating Christian AM radio station in the United States.

Lumosity

Train your memory and attention. Used by over 60 million people worldwide, Lumosity creates a Training Program that challenges your brain.

Words with friends

New Words With Friends is the fun, free social word game where your skills are tested. Play against your grandchildren no matter where they are located in the United States.
