Camp Y-Koda Guidelines and Information

Camp guidelines are for the benefit of all, and will help your stay at camp be safe, enjoyable, and comfortable. Please review these guidelines with your group prior to your arrival at camp.

God's Blessings on your retreat!

1. A "Welcome and Orientation" presentation will be given by camp staff to your group shortly after your arrival on camp and you have settled into your accommodations.
2. Quiet time on camp is from 10:00pm to 7:00am
3. Camp is a place to "retreat." Therefore, radios, televisions, video games, cell phones, i-pods, MP3 players, etc... are strongly discouraged. Camp does provide audio or visual equipment for groups to use.
4. Guest group participants must remain on the premises unless an officially sponsored camp or pre-arranges/approved group activity.
5. Should damage incur to equipment and/or facilities as a result of misuse, carelessness or vandalism, the guest group is held responsible for repair and/or replacement costs.
6. Alcohol consumption, un-prescribed drugs, and smoking of cigarettes are prohibited.
7. Fireworks, firearms and other weapons, and pets are not allowed on the camp premises.
8. Disorderly conduct and/or disruptive behavior will not be tolerated! Those involved will be asked to leave.
9. Respect is to be shown to all other campers, staff, and adults staying at camp.
10. Because this is YOUR camp, the camp staff requests that you clean-up your housing and meeting areas prior to departure. Thanks!

****Parents/Guardians please review these rules and guidelines with your child prior to camp.
