November 17, 2020

St. Paul Ushers -

Due to Covid 19, holiday worship services have changed. More services were added to accommodate everyone who wants to attend within social distancing limits.

All groups that are ushering are asked to spray the pews and chairs following **each** service. Spray bottles are kept in the Usher Room. Christmas Eve has 3 additional services that will be held in the Fellowship Hall. Please carefully look at which location you will be ushering. For those in the Fellowship Hall, the portable offering table will be locked and should be monitored. A pastor will roll the table into the office after the last service. Be sure at the end of last service all lights have been turned off.
