Thank you all for your generosity to our parishes!	

We received a donation to convert the two bathrooms in the parish hall into family bathrooms. Your kindness is greatly appreciated.

This Sunday we are invited to live our faith, to do good works, to show the light of Christ to the world that we live. And that way of living must always begin with the people who are in our life right now. We forget that every time we do some act of love, we are the light of Christ and the salt of the earth. God invites us to recognize that by our faith and by our baptism, we have been changed entirely. Let us give God glory today and commit ourselves once again to living divine life in our ordinary daily lives.

I am pleased to see your efforts to make this parish a better place for each one of us. Dave Goebel is doing a tremendous job to make sure that the water is not running out, we have a warm church, all the maintenance is done and other things. I really appreciated his involvement in our parish. His wife helps also as much as she can. They were right that we need a committee to run our capital campaign. Let the good Lord bless their good hearts. Jill Driscoll is one of the ladies from our parish who does a marvelous job to keep everything organized and she stays on the top of everything. She is a wonderful lady. I like her chicken with rice so much. Let God show her His kindness and love. Our involvement in the parish shows our concern for the local church. I can't do much without your help. Honestly, I need you so much. Let's work together for the common good of our parish.

God bless you,

Father Rafal Pynchla
