A Word from Fr. Rafal

Today Jesus tells us that if we have even a small relationship with our Heavenly Father, we can do anything. No matter how weak it seems, Faith is an overwhelming power. Even a little dose of Faith can direct our lives, comfort us when we are discouraged and challenge us when we are complacent. Jesus did not ask the Apostles to move trees or mountains, but rather to forgive their repentant brothers and sisters. Forgiveness is a gift of God's grace.

The word "rosary" comes from the Latin word rosarium, meaning rose garden. The rosary is one of the most popular prayers in the Church. Every Catholic knows it, because it is a simple prayer. It can be recited at any time and in any place.

October is the month of the Holy Rosary. With each "Hail Mary" and each meditation, we greet and honor the mother of God. This is an incredibly important time in the Catholic Church. We can entrust to Mary not only our joys and successes, but also all our sorrows and failures. Our Mother will listen attentively and then bring our requests and supplications to God.

Have a blessed week!

Father Rafal Pyrchla
