What makes one's life successful? Money? Power? Honor? Pleasure?

Most philosophies of the well-lived life are based on having something. But the Christian perspective is that it is better to be something. The goal of the Christian life is to grow in loving relationship to Christ, becoming more like him through the immersion of our entire selves into his Church, Christ's Body. But our transformation in Christ will not occur until we recognize him as our ultimate concern.

In **Conversion: Following the Call of Christ**, explore the stories of six great biblical figures with Bishop Barron, using their examples to grow closer to Christ. Contact Kim to register.
