Dear Friends in Christ,

I often receive bulletins from parishioners when they return from a vacation—maybe as proof that they went to Mass or maybe because it is always helpful to see what other places are doing. We always comb through these bulletins from faraway churches for ideas of what may work in our Parishes. We have recently decided to adopt three of these ideas:

First, many churches have taken up the practice of allowing individuals to sponsor the candles used in the sanctuary lamp. Whether it’s in memory of a loved one or for a special intention like an increase in vocations, parishioners are able to sponsor the candle for a small donation. Beginning this week, we will offer the sponsorship of the 7-day sanctuary candle at St. Ann Church, and the 7-day and 14-day sanctuary candles at St. Joseph Church. We are asking for $5.00 for the 7-day candles and $10.00 for the 14-day candles—this can be done at your particular Parish, similar to Mass intentions. The intention and the person making the intention will be included in the weekly bulletin. I have personally taken advantage of this first week and offered the intentions for my family. This is another way to lift up special intentions and support your Parish.

The second idea is a new ministry scheduling program that we are looking to introduce in the fall. Ministry Scheduler Pro is one of the most prominent and popular scheduling programs for churches to utilize. This program will allow parishioners to take ownership of their schedules, find subs easily, and stay connected with all of the opportunities to serve. Work is underway on the back-end of this software as we prepare it for the official rollout. For those of you who are not tech savvy, please do not worry because we will have a very simple solution for you as well. Stay tuned for more information on this exciting opportunity.

Finally, a little over a year ago we reformatted our bulletin in order to improve the astatic and ease of use. Over time we have taken feedback and we have researched what other successful Parishes have done in order to make the bulletin more user-friendly. In the next few weeks we hope to rollout some updates and revisions that we feel will make our bulletin much better. This is one of our primary forms of communication, and so we want to make sure it is not only beautiful, but also very helpful.

As always, we welcome ideas and bulletins from all over. I’m a firm believer that there is always room for growth and improvement, so please don’t hesitate to help us continue to grow and improve! Thanks for your prayers and support.

God bless!

In Christ,
Fr. Michael Roemmele
Pastor

Food for Thought

Today’s Gospel begins immediately after the final verse in last Sunday’s Gospel. After strong language about the difficulties of discipleship, Jesus immediately appoints 72 people to go ahead of him to every town and place he plans to visit, proclaiming that the Kingdom of God is at hand. He sends them in pairs. In the Law of Moses, two witnesses were needed for a testimony to be credible. It was probably also a safer way to travel.

Jesus admits it will be difficult, that he is sending them out like lambs among wolves. Yet they are to bring nothing with them, not even a money bag or sandals. They are to greet no one on the way so as not to be distracted from their mission. When they enter a house, their message is simply “peace.” The response they will receive may be positive or negative. Either way, they are to know that the Kingdom of God is at hand. They are not to demand special treatment but eat and drink whatever is given them. They are to stay in one house and are not to look around for one that provides better accommodations. They are to heal the sick as a sign that the Kingdom of God is at hand for them. Like Jesus’ miracles, healing is a sign of the coming of the kingdom. If the town will not receive them, they are to shake the dust from their feet and move on. Even in the case of such rejection they should know that the Kingdom of God is at hand.

When they return from their journeys, they are rejoicing because their mission has been successful. Demons were under their power because of Jesus’ name. Jesus may have sent them out as lambs among wolves, but at the conclusion of this passage he assures them that they have been given power over the enemy and nothing will harm them, not even serpents and scorpions.

A key theme of today’s Gospel and last Sunday’s Gospel is discipleship—its challenges, its difficulties, and its rewards. Sharing in the mission of Jesus is difficult, but everyone is called to do it, not just some professionals trained for ministry. Even for us today, the harvest is plentiful. We should pray to the master of the harvest to send out workers for his harvest.

Feature

Tim Meyer

Tim Meyer is a faithful member and minister at St. Ann Parish. He has been married to Karrie for 17 years. He works for Legacy Farmers Co-op as the Branch Manager of their McComb office. When he is not working or going to Church, he enjoys mowing the lawn, spending time with his family, and “tormenting” his nieces and nephews. He also likes to fish and do woodworking, but doesn’t have as much time for those things. He is a huge Ohio State fan, since that is his Alma Mater. You will see him serving in two ministries, Altar Server and Extraordinary Minister of Holy Communion, both of which he does very well. We just want to say thank you to Tim for making our parish better by your service and helping us to grow in holiness.

F.A.C.T.

Watch the bulletin for information on upcoming F.A.C.T. events for the next school year!
Blessed Sacrament Confraternity Holy Hour for this week, Division #1 Janet Wood, monitor.

You may have noticed that our bulletins are no longer available on www.discovermass.com. We have recently switched bulletin companies in order to address a number of issues, but our new company does not manage a website for parishes like our previous company. We will have bulletins available online once we launch our new website, www.growinholiness.org, this summer. Thanks for your patience!

A Family Perspective—Just like the seventy-two disciples sent out by Jesus in today’s Gospel, families are expected to be MISSIONARIES. By our lives, words, and life style we proclaim peace, commitment, fidelity, and respect to a culture caught up with violence and gratification.

Special Envelopes—We often receive questions about the special envelopes sent out with the Sunday envelope packets. We thought it might be helpful to explain the uses of the various envelopes in the most recent packet. Diocesan Priest Retirement Fund - Each parish is assessed an amount each year to help fund the Priests’ Retirement Fund for the Diocese of Toledo. Whatever money is not collected through special collections is assessed to the parish, so this envelope will support the good cause and keep more money locally in our parishes. Evangelization and Marketing Fund - Monies raised through these envelopes support our efforts at the Farmer’s Market, the Sandusky County Fair, and at various events throughout the year. These funds also support our various mailings aimed at reaching fallen-away Catholics. Seminarian Fund - These funds will support current and future seminarians throughout the Diocese and those assigned to our parishes. Hispanic Outreach - These funds will help the current and future needs of our Hispanic Outreach in the parishes and in the Fremont area. Maintenance Fund - Monies raised through these envelopes will go towards the care of our parish campuses. These funds are different from the Maintenance Fund envelopes marked “Campus Improvement” which directly fund our major projects. We are continually blessed by everyone’s generosity and cannot thank you enough!

BELONG  “See what love the Father has bestowed on us that we may be called children of God”  (1 John 3:1)

This was the theme for the 2019 Steubenville Youth Conference. What a privilege to bring a group of sixty from the Fremont area to attend this event. This was our fourth year and, as those in the past, brought about incredible blessings.

We ventured on a chartered bus about 3½ hours away, to the Franciscan University of Steubenville, to join over 2,000 other teens. The weekend was packed with fantastic talks about faith and social issues, Mass, Adoration, music, small groups, and fellowship. The teens came face to face with the reality of the true presence of Jesus in the Eucharist and the deep love of God the Father. They were encouraged to allow God to touch their hearts more deeply and challenged to grow in holiness. Although this is different for each teen, we know of the power of the Holy Spirit and trust in God’s plan for each individual that is present. The smiles, tears, and laughter were all avenues for healing, freedom, and God’s mercy to prevail.

Most attendees participated in the sacrament of Reconciliation, which is a beautiful experience of God’s forgiveness and love. Fr. Jeff joined us and so graciously spent hours in the confessional. We are deeply grateful for the time that he took to be a part of our trip and serve the youth in his priestly ministries.

We also had an incredible group of chaperones this year: Mike and Beth Gabel, Dan Rose, Kevin Dick, Heather Hunker, and Paulene Steinberger. The love that they poured out upon our youth throughout the weekend was nothing short of remarkable and we look forward to them joining us again next year!

In closing, thank you to all who donated to this youth conference. Your generosity made the trip financially possible. We all desire to BELONG to something great. We learned about how we BELONG to God and that will never waiver. Let us embrace these youth, as well as those that were unable to attend, with support and encouragement. And let us all walk together in faith and community, knowing that we all BELONG to the Body of Christ. May the enthusiasm of those that attended bless their families, our parishes, schools, and communities. Be bold and walk in Truth and Faith.

In Christ’s Love,
