Walkers

If you choose to walk your child and not use carpool, please remember these guidelines:

1. Leave the spaces closest along the sidewalk for caretakers in our **MMO program**. They *have* to come in and sign out their children and often are juggling multiple children.
2. Be in the “walking” area **no later than 12:25** so we can start carpool at 12:25. If you arrive after 12:25 please use the carpool.
3. Walk toward the teacher as she brings your child to you just please do not come to the doorways.

Stranger Danger

Thank you to the amazing officers from our Forsyth County Sherriff's office. They presented a fabulous program to our 3 and 4 year old classes this week. I have attached an outline of what was covered. Please take the time to read and reinforce with your children. It is such a fabulous training.
