

St. Joseph School Choir

PO Box 2006
Petersburg, VA 23803
Telephone: 804.733.3115

St. Joseph School Choir will rehearse twice a week on Wednesdays and Thursdays after school. The choir will ‘sing for joy’ at the weekly school liturgies, for various events such as the Nativity in December, the Evening of Fine Arts in the spring and other performances in the community.

In addition to building on their music reading skills, students will learn proper tone production, blending, intonation, dynamics and diction. Music will include hymns for Mass, unison melodies and beginning two and three-part repertoire.

Choir is an opportunity to sing in a fun, faith-filled environment and to serve the community in song. Formation, so important to the education of a young person, is a vital component of the choir.

Students in grades 3-8 are encouraged to be a part of the St. Joseph School Choir. Come and join the team!!
