 - Sunday Catechesis on Facebook Live
- Sunday Adult Formation (2 options)
 - 1 at 9:45 AM at the School
 - 1 at 9:45 AM in the Hall
- Monday Formation in the Hall with Fr. O'Reilly
- Individualized Sacramental Preparation, as well as group participation for 2nd and 10th graders

What is working? What is not?

So far, I have heard from **1 person**.

There was a general concern about the audio quality of our broadcast Masses. I'm presently working to enhance that, just waiting on a return visit from sound engineers to hook up a cable.

How can we help? What can we change?

Let me know. I can't change it if it isn't shared. Please don't assume someone else has shared something with me, or that it is isn't your place, or you think I'm too busy. My whole mission is to get you to heaven. I have to take the time to consider ways that will reach as many people as possible.
