

**Summer Activities**  
**Incoming Kindergartners**

Read a bedtime story with a grown-up and re-tell it in your own words. Discuss a funny way to change the ending.	Write your first name correctly (not all capital letters!) 10 times in wet sand, dirt, or the soaped up shower wall.	Sort a big pile of toys and explain to a grown-up how you grouped them and why.	Go on a nature hike or bike ride with a grown-up in search of animal homes. Discuss what you observed.	Watch a construction site for several days and discuss the progress. Make a list of the machines you can name.
Make the Sign of the Cross while leading the family in prayer for a full week.	Count aloud to 20 to a grown-up saying each number correctly. Then count 20 objects correctly.	Practice the vowels in your first name on <a href="http://Starfall.com">Starfall.com</a>	Sort all the shoes in your house and determine how many. Discuss with a grown-up <i>more, less, and equal to</i> .	Taste a new food that you may have thought was too yucky to try.
Find 10 "animals" in the clouds while lying on your back. Discuss what you see with a grown-up.	Practice knotting then tucking in your shoe laces 10 times...bow tying is even better!	Successfully dress in your uniform without any help 10 times. Don't forget P.E. clothes under jumpers/long pants.	Name at least 10 animal babies. Ask a grown-up to help you find out the baby name for your favorite animals.	Sort and graph a pack of M&Ms or fruit snacks discussing <i>more, less, and equal to</i> with a grown-up.
Sort the dirty laundry by colors with a grown-up. Then help fold and put them away correctly.	Go on a scavenger hunt finding objects for all the letters in the alphabet.	Find a statue or image of St. Mary while at church.	Sing the ABC song while touching the named letter... 10 times.	Draw your favorite <i>anything</i> three times improving it each time!
Practice the consonants in your first name on <a href="http://Starfall.com">Starfall.com</a>	Cut a bowlful of confetti then enjoy throwing it...and cleaning it up all by yourself!	Take the stairs in three different places and discuss <i>more, less, or equal to</i> with a grown-up.	Practice writing name, numerals, and ABCs on a soaped up shower wall.	Identify and name numerals 0-20 on a restaurant menu.

**Students completing 5 activities in a row in any direction will receive a teacher prize.**  
**Students completing all squares will also receive an Out-of-Uniform certificate!!!**
