Early Child Development Center  
2023-2024 Academic School Year**

**Campus Walks Permission Slips**

The St. Mary Catholic School Early Child Development Center seeks to utilize all areas of the school and parish properties to serve our student body.

Staff members of the Early Child Development Center plan to take group walk around the Seton Center, Church, and McGill-Toolen properties. All walks will consist of adequate supervision and all infants will be strapped into a buggy or stroller.

Older toddlers may take walks to the St. Mary Catholic School campus to utilize the playground.
