

Remote Learning Plan:

The St. Mary Catholic School faculty and staff is currently updating our remote learning procedures for the week of January 4 through 8, 2021. Although it is our hope that the school will not have to return to remote learning before that we realize the possibility is there. A lot was learned in the spring of 2020 and the faculty is working to improve the experience for students and parents.

- During the month of December teachers will be working with their students and parents to review schedules, platforms and procedures.
- A Google page will be made available to parents with links to each grade level.
- Students in K through 2 will be issued a school email address to ensure that all students have the same availability.
- The school will make devices available to families in need of them.
- Teachers will be on campus during virtual learning:

GRADE LEVEL	PLATFORM USED	SCHEDULE
All School	Google Drive	Morning Announcements
Preschool	Emailed Videos	3 videos per day minimum: Circle Time (with stories), Skill for the day, Craft instruction Craft bags and curriculum sheets weekly pick up and scanned Daily check in
K-2 nd	See Saw	9:00 – 2:00 Auxiliary classes PE Daily check ins
