

Have you heard about FORMED.org? What about The Chosen?

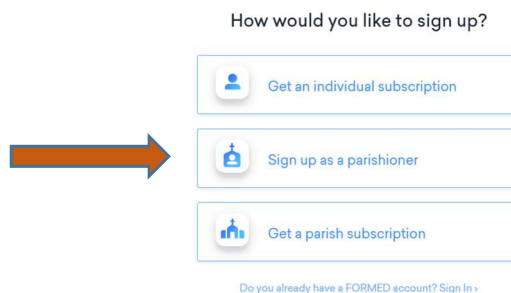

FORMED provides Catholic content from more than 75 organizations to help Catholics explore their faith from anywhere. They have collections that include programs (like the entire series of Bishop Robert Barron's "Catholicism"), Catholic movies (stories of saints), Videos for children (such as Brother Francis animated videos), Audio (CD's of talks from Lighthouse Catholic Media), and even books to read (writings of the Pope) available direct to your browser, mobile or connected device. **The parish pays the subscription fees so all of us as parishioners can watch for free.** All you need to do is sign up under St. Peter.
