

*Welcome Parents!*

*As we begin this new year of Faith Formation, please be assured that the staff at Epiphany Catholic and the catechists in our Faith Formation program have FDLE background checks, references and Catechist Level 1 standing with the Diocese of St. Augustine. They are dedicated to helping your children grow in our Catholic faith and draw closer to God.*

*As parents, you are the primary educators of your children and are their best teachers in the faith. Your children learn the most from the example you set when you pray together and actively participate in Mass and the sacraments as a family.*

*The teachings of our Catholic Faith are explained in age appropriate language, lessons are reinforced with activities, and scripture stories and faith tenets are connected to life experiences in the church and family. We are proud to initiate our new curriculum with Sadlier Publishing's CHRIST IN US book and digital platform presentation. Because we will be starting the year online, the digital platform will prove invaluable to the excellent visual and academic presentation for your child.*

*Epiphany Catholic is committed to providing a safe environment for all our students. We are grateful for the opportunity to journey with your child as they grow into a deeper relationship with Christ and a greater understanding of the gifts of the Holy Spirit and our Catholic faith!*
