Opening Prayer	6:32 PM Father started with opening prayer.
Father & Deacon's Report	Father referred to the use of a pamphlet that the ushers would distribute before and collect after Mass as a "worship aid" (like we had at Christmas with the responses and the songs in it). Father will talk to Kyle Lippold about Family signup for Fellowship (this is work in progress). Father mentioned that a survey was done for the reopening of St. James School and was well responded (and is also work in progress). A letter will be inserted in St. Theresa's Bulletin this weekend. The Love One Another Campaign through the Archdiocese coming up.
Reflection	What is one 2023 goal for self or as Council Leader for our Community? A few members made comments.
Old Business: Minutes	Minutes will be sent out by Claudette for approval via email and then will provide to Judy H. Secretary and Co-Chair Patrice. Members will have three (3) business days to approve. No other comments on other Committee minutes. A comment was made to have the different committee liaisons give verbal reports (most important) at meeting.
New Business:	<p>Liturgy – will collaborate with St. James twice a year (January St. James will come to St. Theresa) and (October St. Theresa will go to St. James) Also Claudette mentioned that Mary Pratt and herself will now act as Co-Chairs for Eucharistic Minister Lead.</p> <p>Stewardship – Mary Bishop would like to step back from this committee. There is a need for more members on this Committee.</p>
	<p>New PC Members – Sean was asked WHY he joined PC. He was asked by Father Jordan but also moved to this area St. Theresa a very welcoming parish (is a member) his wife used to work at the seminary when Fr. Jordan was studying etc.</p> <p>Other PC members shared their experience and observations with the group.</p>
	Appendix Approval – committee went through the red lined version and approved with changes. Mary will update the changes and submit to Archdiocese.
	APC update – was well attended 150 people including Mary Markham, Patrice Farrell, Claudette Krestan and Pete Gottgetreu. Good presentations, time for speakers to present their presentations was not the greatest but overall a good day. Presentation by Brad Berghouse highlighted the FREE 40 SME (Subject Matter Experts) resources the Archdiocese offers to everyone; Maintenance to Mission-Make Disciples; Poverty is not just economically but could be spiritually. Also talked about the Love One Another Campaign.
