

Easter/Spring Flowers

We invite you to donate a blooming plant(s) in memory of a special person(s) this Easter season. The display of your donated flowers will help our Art and Environment committee decorate our church during Easter and through the Spring season.

**Please note, when collecting memorial decorations for loved ones, the funds are not only used for blooming plants now; they ensure our environment is kept fresh and updated all year long.*

**Please place this completed form and \$20 for each plant in an envelope marked “Flowers” and place in the collection basket by March 18, 2024
Please make checks payable to St. Theresa Parish.**

**If you have any questions, please contact:
Mary Pratt: 414-581-2917**

Donating person or family _____
