

# **MISSION TRIPS WITH ST THERESA PARISHIONERS**

## **January 2017**

- Rewire four classrooms in the village of San Antonio with lights, fans and outlets. This will be the first time that the children will have fans to help cool them during the dry season where temperatures can reach 100 degrees.
- Fence in the school yard of Santa Cruz with 670 feet of fencing in order to prevent the feral pigs from digging up the garden plots.
- Teach the sixth and seventh grade students of San Antonio how to use bucket planters to grow tomatoes and peppers with 1/3 less of water and soil.

## **January 2016 - Santa Cruz & Pueblo Viejo**

- Built a school kitchen building
- Taught students songs for a school mass
- Attended a wonderful school mass and Kitchen dedication
- Painted the inside of a Church at Pueblo Viejo
- Spent time with the Seniors

## **January 2015 - St Benedict's Indianville**

- Painted the inside of the church
- Added sidewalk and windows at the school
- Taught students a song for the dedication of the church
