PAYMENT PLAN

2018-2019 School Year

Thank you so much for registering your child(ren) in our Christian Formation programs. For your convenience, a payment plan can divide your payments into 5 installments. You can pre-pay any of these installments to pay these fees off more quickly if you desire.

Please make a down payment today and send remaining payments to the CFM office or rectory. If this payment plan doesn't work for you due to your family circumstances, please contact the parish office. We will confidentially take your situation into consideration with the guidance of the Finance Committee.
