Sacristan duties look good

Youth Mass on October 6 was poorly attended, there will be another Mass in December. That Mass geared toward younger children. We are going to keep at this.

Healing Mass November 2 and 3rd.

Dan Schutte update We received an invoice for Dan's flight and car rental for \$643.51

We have sold approximately 129 tickets for the Concert and 26 for the retreat. We have this out to the Milwaukee area now.

Penance Service Dec 11 at 7 PM. Melodie is working on this.

New business,

Information from PC.

Pastoral Council came up with goals to come up with for collaboration. The idea came about that we should have a communal Mass. Both St. James and St. Theresa's have a Mass at St. James because they have the room. They would have the overflow in the Activity Center. They have discussed canceling a Mass here at St. Theresa's so people will attend this Mass.

We discussed this and are not in favor of doing one Common Mass on a Sunday at this time.

Advent Theme: Be Prepared.

Other Business

El Camino

This is a program having small groups similar to the Renew Program. This will be a collaborative event for both parishes.

Next meeting November 20, 2019 at 7 PM.

Respectfully Submitted
