

**Prayer and Worship  
Minutes  
September 16, 2020**

**Opening Prayer** Jim Frisch

Present: Tammy Adams, Jim Frisch, Fr Loyola on Zoom and Melodie Haddon

**Old Business**

Anointing Masses cannot be at this time

Mass Time change: After a survey Sunday's Mass time was changed to 9:00 AM Melodie mentioned that attendance has been better with the time change

We are running short on Corporals, Tammy will get the information to Natalie to order more.

**New business,**

A. Personal Parish Missal Program PPMP. Was discussed. The cost of the books are about \$5.72 so the thought was to ask for donations of \$7.00 people can give more if they would like. This will be presented in the bulletin along with emails. Telling people to help defray the cost of the missals, and for our safety they can make a donation, put their names in the books and they may bring them to Mass with them and take them home every week.

B. Adoration was brought up, we have really not had adoration here at St. Theresa's for years. Father suggested putting a survey out asking if there is an interest in this from the congregation. Along with when they think would be a good day and time, Melodie will bring this back to the Steering committee.

C. Saturday evening our priest did not show so Melodie and John did a communion Service. Father said this is what is suppose to happen in the absence of a priest. Melodie will ask Judy for a Priest schedule for St. James. Father suggested having it hung in the sacristy.

D. Father Loyola, said that the Bishop mentioned ways to help the people feel welcome coming back to church, signs, announcements etc. Melodie will be sure to make a welcome back to our Masses as an introduction to all the Masses.

E. Father Also asked that we as a committee start thinking about a theme for Advent so we can discuss it at our next meeting.

Next Meeting October 21, 2020

Respectfully Submitted

Melodie Haddon
