The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Divine Savior Catholic School has been busy! Thanks to a generous grant from the Bruce Krier Foundation and the tireless efforts of teacher and technology director, Mrs. Malueg, we were able to purchase iPads and Chromebooks. This has allowed us to reach our goal of having one-to-one technology for all of our students. This past week, all of the new technology finally arrived at DSCS and Mrs. Malueg is working to get it in the hands of our students. I can't wait to see what our students and staff create, imagine, and inspire with this new technology!

DSCS is safer than we were a year ago. We have been working hard to reach our school safety goals, and that includes better door security. Our new policy is to have all open doors monitored. This means that when you visit DSCS in the morning, or for meetings, or school events, you should be greeted by a staff member or volunteer. It has been a work in progress; however, we are committed to keeping our students, staff, and families as safe as possible. We are also installing a doorbell at our back door coming in from our parking lot. This should help if visitors arrive after a meeting has started. We are also asking that all groups who use our building follow this same procedure. Unfortunately, we can no longer leave our building doors wide-open without cause for concern. Please help us in our efforts to promote safety.

Yours in Faith, Principal Lynn Sauer

To register for the class, you will need to go to the Archdiocese of Milwaukee website (www.archmil.org) and type safeguarding in the search bar. It will take you to a website to setup your account, take you through a series of questions and then let you register for your class. If you have any questions or need help with this, you can contact Terri Riesselmann in the Parish office. You cannot sign up for the class through the office, it must be done by registering through the website, but Terri can help you with this process.
