

Divine Savior Catholic School Divine Dispatch February 26th, 2018

School Office: Holly at hmasengarb@dscsfredonia.org 262-692-2141

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Can you believe that on Thursday it is already March? I cannot believe how quickly the school year is flying by. I guess it is true what they say -time flies when you are having fun! Our students and staff are still taking our Lenten Journey together. Each week, at our prayer service, we have been adding different symbols to our Lenten cross. Each symbol helps us to grow closer to Jesus. Now that March is here, we will also have a new *Attitude of Gratitude* focus. During September, we were grateful for all the *Possibilities* that God offers us. In October, we focused on being grateful for the help God gives us to use *Perseverance* in our lives, and in November, we offered our gratitude for the *Provisions* which God provides. In December, our focus was thanking God for *Patience*. In January, we turned our focus to *Peace*, and in February, we thanked God for *Pardon*. During March, we will have an Attitude of Gratitude for *Prayer*.

Yours in Faith, Principal Lynn Sauer

Henry Petesch's family donated \$500 to DSCS, to honor his memory. After talking with some staff, and with his family, it has been decided that we will be purchasing leveled readers for classroom use. We will be putting labels inside the books in memory of Henry. It is a blessing that families continue to remember our school and honor their loved ones!

EMERGENCY CLOSING OF SCHOOL

Divine Savior Catholic School observes the closing of school as determined by the Northern Ozaukee School District in case of severe weather conditions. If Random Lake School District closes and Northern Ozaukee does not, all Random Lake bus students will be given an excused absence for the day missed. The announcement of school closing will be made through the NOSD Skylert phone system and the Divine Savior Catholic School network of phone calls. The announcement will be made as early as possible on the following radio stations and television channels:

- Radio: WTMJ (620AM) WOKY (920AM) WISN (1130AM)
- TV: WTMJ (CH 4) WITI (CH 6) WISN (CH 12) CBS (CH58)

On a TWO-HOUR DELAYED START, students should arrive no earlier than 15 minutes before classes begin. There is no supervision before that time. Every effort will be made to alert teachers to a school closing as early as possible. Many times the school does not know until the last possible time before the school buses are to go out. However, if the circumstances are such that the school secretary or principal can notify teachers well in advance, we shall do so. In case of an emergency situation within the building, the pastor and the principal will determine closing the school. Parents will be notified as soon as possible. There will be no a.m. Kindergarten for half-day students on delayed start days.
