

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Divine Savior Catholic School had a great Catholic Schools Week! It was such a blessing for me to have the opportunity to kick things off by speaking at Holy Cross on Saturday and Sunday. I felt equally as blessed to end a fantastic week by speaking at Dacada. Both Sundays were super special because many of our students were able to share their love of music with all of you! Thank you to all of our families who were able to attend.

On the Monday of Catholic Schools Week, we had pajama day and we met with our buddy classes to complete a project. That project led to the creation of a beautiful all school cross which is displayed in our main hallway. We also had a great turnout at our first annual Culver's Night! It was amazing to see the dining room of the Port Washington Culver's full of Divine Savior Catholic School supporters. Special thanks to all of our families who made it out on Monday night in support of the school. On Tuesday, we celebrated a very special school Mass along with a Rosary blessing. Each one of our students was given their own Rosary and Father Todd held the blessing at the closing of Mass. Wednesday brought about our annual Teacher vs. Student Volleyball game and our Open House and Spaghetti Dinner. On Thursday, we had an exciting game of Human Hungry, Hungry Hippo which involved scooters, 200 plastic balls and colorful basket. A great time was had by all! To end our week the entire school took a trip to Discovery World in Milwaukee.

It may be hard to get back to work after such an exciting week, but we must! As I look at the calendar, I am reminded that Lent is just around the corner...more to come soon!
Yours in faith, Lynn Sauer
