

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Iowa Basic testing is in full swing for all of our students in grades 5K-7th grade. Please be sure to have your child/children here and ready for testing each day. A good night's sleep and a healthy breakfast are always suggested, but especially on testing days! We want our DSCS students to give their very best effort so that the data our teachers collect is as accurate as possible.

This afternoon, Mrs. Walter, Mrs. Pierson, Mrs. Riesselmann and myself are excited to host Jennifer Maney-Institutional Coordinator, Greater Milwaukee Catholic Education Consortium (GMCEC) and Gina Flynn. They are both instrumental in helping the schools of the Archdiocese embrace the Play-Based Learning Model. We have asked them to come out to our school to help us better understand implementation and to answer some of our curriculum questions.

Please consider joining us tonight, March 12th, to help with the strategic planning of DSCS. It is so important that we take inventory of our strengths and weaknesses, so that we can set forth a detailed plan for growth and improvement. All are Welcome! The meeting begins at 7:00pm in the school basement.

Yours in Faith, Principal Lynn Sauer
