School Office: Holly at hmasengarb@dscsfredonia.org 262-692-2141

The Mission of Divine Savior Catholic School is to provide an environment for children to excel personally, academically and spiritually. Together we share in the mission of Divine Savior Parish to foster a faith filled community where Catholic values are learned through prayer, service and love. Our goal is to use these values to develop lifelong learners and compassionate leaders.

From the Desk of the Principal

Our 2017-18 school year is quickly coming to a close. Before the year ends, I would like to share some exciting news! We will be having our first 7th and 8th grade combined class next year. I am so excited to continue what we have started with our inaugural 7th grade class. This past year was full of great learning experiences, faith building endeavors, and so much more. I can't wait to see what next year has in store.

The Education Committee has traditionally helped to advise on school matters. As a committee this year, we began the process of developing a long range plan. During our research and committee discussions, we concluded that it was time to rename the group. The current name does not reflect the important role that this committee plays. Moving forward, it will now be branded the *Advisory Board*. We have also decided that it is time to bring the parent leaders in our school together around one table. Starting next year, we will be having the Dinner Auction, Fish Fry, and Scrip Chairs join our Advisory Board Meetings. We will also be including the H&S Treasurer, Secretary, and President. Rich Schwab, from the OLL Finance Council, will also be joining the Advisory Board. DSCS is proudly supported by both the Our Lady of the Lakes Parish as well as the Divine Savior Parish. At DSCS, we are all aware of how fortunate we are that these two vibrant parishes work together to support the important work we do at DSCS each day for all of our students.

Lastly, I must offer a huge THANK YOU to Kent Schuller and to Gary Fatla for giving up part of their Saturday to haul items to the recycling center. Kent made several trips and was able to dispose of many unwanted items. Gary also took a trip to the Ozaukee County Hazardous Disposal Event to remove other unwanted items from the school basement and storage area. You are both a blessing to DSCS!

DSCS has some BIG news! We just learned that the Bruce Krier Charitable Foundation Grant we applied for, to help us reach our goal of One-to-One Technology Initiative, has been granted! We will be receiving \$50,000 to help us make this a reality. **This grant money must be used to help us reach our goal of One-to-One devices for our students. We prepared a very specific budget that must be adhered to in order to honor the grant requirements.** What a blessing for our school! Words cannot explain how thankful we are for the generosity of this wonderful foundation. Receiving this grant could not have been possible without the hard work of so many people. I must thank Vicki Malueg for the extra hours she put in preparing the information and Terri Schueller for helping us to collect all of the necessary documents. This grant is a true testament to the collaborative spirit of our DSCS staff.

Yours in Faith, Principal Lynn Sauer

Calling all DSCS families-

We need your prayers for the Sprang family as they fight yet another battle with cancer. Heidi has experienced a re-occurrence of her Sarcoma Cancer. She has a long road ahead of her and will need to undergo many treatments in order to fight the cancer.

Keep her in your prayers, as well as her husband, Jason. Please also pray for their children, Natalie and Ahnaleigh, as they try to make sense of this. May our prayers and actions help to support this family during their time of need.

One way to help would be to sign-up to help provide the family with a meal. The link is below:

We have moved to Mondays! **LETTERS TO GOD.** Monday, May 21 at 6:00 p.m. in the OLL Community Room. *Tyler Doherty is an extraordinary eight-year-old boy armed with strong faith and courage as he faces his daily battle against cancer. Surrounded by a loving family and community, Tyler's prayers take the form of letters he sends to his ultimate pen pal, God, on a daily basis. These letters find their way into the hands of Tyler's postman, Brady, who is at a crossroads in his life, searching for meaning. Brady at first is confused over what to do, but his decision ultimately is a testament to the power of hope, faith and courage that others can apply to their own personal struggles regardless of what they may face in their everyday lives (from movie jacket).* PG. 112 minutes. Bring your own snacks.
