As we progress through this current crisis, please keep our church community in your thoughts and prayers. Also, please continue to support the church financially during this critical time, so that when this threat is over, we can continue to be the strong parish community that we have become. We appreciate your consideration of this request, and thank you in advance for your donation(s). Remember, God cannot be outdone in generosity.

Listed below are ways for you to donate to St. Valentine Church during this crisis:

- Mail in your donation to the address above. We are continuing to receive and process our daily mail.
- Most banks have online banking, which you might possibly already be using for utility or mortgage payments. You can set St. Valentine Church up as a bill pay, setting up how much and how often you would like to donate. We will receive a bank check from your bank, on your behalf, through the U.S. Mail. There are no charges for this to either you or to the church.
- Set up an account with We Share Online as many of our parishioners have done. You can set up how much and how often you would like to donate or use We Share for one-time donations. There is no charge for this service to the donor. You can set up an account or make a one-time donation using the following website: <https://stvals.weshareonline.org>
