Campaign Volunteer Opportunities

Our capital campaign will be supported by the work of volunteer teams.

This process encourages everyone to reconnect with old friends and meet other parishioners while committing less than 10 hours to the campaign over 12 weeks.

Sign-up cards will be available at Masses on August 26 & 27 or you can call the parish office (402) 292-7418 to sign up for a team.

Prayer Team

Plans ways to set the spiritual tone of the campaign; prayer events, devotional readings, etc.

Events Team

Organizes informational events, at which campaign and project information are shared by church and campaign leaders.

Thanks Team

Plans appropriate ways to thank all of our volunteers and donors.

Youth Team

Coordinates opportunities to involve youth in the campaign, and to connect them to the vision of this parish and the future of the Catholic Church.

Ambassadors Team

Contacts parishioners to assure they receive campaign materials/literature and provide answers to questions about the campaign.

Communications Team

Works creatively to develop campaign theme and logo, suggests and develops communication efforts including newsletters, brochure, multi-media, power-points, etc.
