

It's been a treat to actually see our students in person! This month we continue to hold **in-person classes**. Please consult the schedule for the dates of your child(ren)'s class. We will continue to use the larger spaces in the Tri Parishes Center & Holy Family Church. Masks are required.

Our focus this month continues with the season of Lent. We will also be asking parents to assist with our annual required lesson plans for ensuring a safe environment for everyone. We use a curriculum called *Circle of Grace* that explains in detail what needs to be addressed with your child(ren).

Be sure to let us know if your children will not be attending class. We do have the option to provide a zoom link if needed. Any questions, contact Connie Caine or John Pryme at the Tri Parishes Office (920) 927-3102.
