

St. Andrew Parish School is where faith and knowledge are available for All

St. Andrew School News: Volume 3, 18th edition.

February 2019

Greetings St. Andrew,

As we approach February with thoughts of "more" (that is, Valentine's Day), we must also think that we are slowly approaching Spring. We have many wonderful things that we celebrate and participate during the month of February.

Because spring is not here yet, we still kindly remind parents to help their cherubs (especially high school students) bring their winter clothes to school, as Wisconsin always reminds us of the ever-changing climate .

As we clean our winter cabinets, it is possible that some of our cherubs are growing and need new San Andrés Poles or Khakis. If you are interested in reselling (consigning) the old khakis or school uniforms of your student or buying something here at the school, visit the main office for more information. We can have something here that could benefit you. Thank you.

February is a very busy time for St. Andrew: ***Student (s) 2019-2020 Fall school registration, Wisconsin Parent Choice Record, 1st Reconciliation Mass for our 2nd grade students at St. Andrew, 8th Grade Fundraising in Washington DC, more staff Development, St. Andrew Spartan Basketball, and parent / teacher conferences.*** Read all items that go home in your student's weekly / family envelope, read emails or check online at our school website. If you ever have any questions, contact your student's classroom teacher. Thank you.

 - d. Wednesday, (2/20), 9a, p. Oriol (5th grade Host) (CCHS Host VIP Coffee Meeting)
 - e. Wednesday, (2/27), 9a, p. Oriol (fourth degree Host)

Contemplatives in Action

"against all odds" could have been St. Valentine's Creed. St. Valentine was a Roman who helped spread the teachings of Jesus. Valentine was often despised by his own people for their beliefs. Valentine was a brave and noble servant of God. Valentine's life was abruptly interrupted by the hands of his own people.

We celebrate St. Valentine for his *"devotion"* to God, to Jesus and his teachings. As we continue to celebrate our "Incredible Parochial School," let's not forget our devotion to our *Parish, Parishioners, Parochial Schools, Parochial School Families, Parochial School Students* and our *Tremendous School Staff* that is dedicated to our Incredible Students.

Let's ask ourselves how we can devote our time and talent to continue the Valentine's Creed and our moral obligation that our students be the best they can be.

We hope you have a blessed February to all.

Very respectfully,

Randy
